## Governance Compliance Statement

## Governance and Compliance Statement

The London Borough of Tower Hamlets Council is the Administering Authority of the London Borough of Tower Hamlets Pension Fund and administers the Local Government Pension Scheme on behalf of participating employers.

Regulation 55 of the Local Government Pension Scheme Regulations 2013 requires Local Government Pension Scheme (LGPS) Administering Authorities to publish Governance Compliance Statements setting out information relating to how the Administering Authority delegates its functions under those regulations and whether it complies with guidance given by the Secretary of State for Communities and Local Government. It also requires the Authority to keep the statement under review and to make revisions as appropriate and where such revisions are made to publish a revised statement.

### Aims and Objectives

Tower Hamlets Council recognises the significance of its role as Administering Authority to the London Borough of Tower Hamlets Pension Fund on behalf of its stakeholders which include:

- around 15,000 current and former members of the Fund, and their dependants
- over 20 employers within the Tower Hamlets Council area or with close links to Tower Hamlets Council
- the local taxpayers within the London Borough of Tower Hamlets.

In relation to the governance of the Fund, our objectives are to ensure that:

- all staff and Pensions Committee Members charged with the financial administration and decision-making with regard to the Fund are fully equipped with the knowledge and skills to discharge the duties and responsibilities allocated to them
- the Fund is aware that good governance means an organisation is open in its dealings and readily provides information to interested parties
- all relevant legislation is understood and complied with
- the Fund aims to be at the forefront of best practice for LGPS funds
- the Fund manages Conflicts of Interest appropriately

### Structure

The Constitution of the Council sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and that those who made the decisions are accountable to local people.

The Constitution sets out the framework under which the Pension Fund is to be administered as described below.

The Council delegates its responsibility for administering the Fund to the Pensions Committee. The terms of this delegation are as set out in the Council Constitution and provide that the Committee is responsible for consideration of all pension matters and discharging the obligations and duties of the Council under the Superannuation Act 1972 and various statutory matters relating to investment issues.

The governance structure is supported by:

- The Pensions Committee

- Officers of the Council; and
- Professional Advisors

### **Terms of Reference for the Pensions Committee**

The Constitution allows for the appointment of a Pensions Committee which has responsibility for the discharge of all non-executive functions assigned to it.

The following are the terms of reference for the Pensions Committee:

To act as Trustees of the Council's Pension Fund, consider pension matters and meet the obligations and duties of the Council under the Superannuation Act 1972, the Public Service Pensions Act 2013, and other pension legislation.

In addition the Pensions Committee will also co-opt a non-voting employer representative and a non-voting scheme member representative.

## **Membership of the Pensions Committee**

The Council decides the composition and makes appointments to the Pensions Committee. Currently the membership of the Pensions Committee is a minimum of 7 elected Members from Tower Hamlets Council on a politically proportionate basis and the Pensions Committee will elect a Chair and Vice Chair. All Tower Hamlets Council elected Members have voting rights on the Committee and three voting members of the Committee are required to be able to deem the meeting quorate.

In addition there are two co-opted non-voting members representing employer and Scheme member interests. Although the co-opted representatives do not have voting rights they are treated as equal members of the Committee, they have access to all Committee Advisers, officers, meetings and training as if they were Council Members and have the opportunity to contribute to the decision making process.

Voting rights are restricted to elected Members as they are deemed to be fulfilling the role of Trustees as the Pension Fund with all the legal responsibilities that this entails, it was not felt appropriate to apply the same legal definition to the lay members of the Committee and hence their role as non-voting members.

Members of the Pensions Committee, including co-opted members, are required to declare any interests that they have in relation to the Pension Fund or items on the agenda at the commencement of the meeting.

The Fund is aware that good governance means an organisation is open in its dealings and readily provides information to interested parties; meetings are open to members of the public who are welcome to attend. However, there may be occasions when members of the public are excluded from meetings when it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed.

## **Meetings**

The Pensions Committee shall meet at least four times a year in the ordinary course of business and additional meetings may be arranged as required to facilitate its work. Work for the year will be agreed with the Committee to include dedicated training sessions for Committee members.

Agendas for meetings will be agreed with the Chair and will be circulated with supporting papers to all members of the Committee, Officers of the Council as appropriate and the Fund's Investment Advisor.

The Council will give at least five clear working days' notice of any meeting by posting details of the meeting at the Tower Hamlets Town Hall and on the Council's website. The Council will make copies of the agenda and reports open to the public available for inspection at least five clear working days before the meeting. If an item is added to the agenda later, the revised agenda will be open to inspection from the time the item was added to the agenda. The reason for lateness will be specified in the report.

There may on occasions be items which may be exempt from the agenda, reports and minutes of the meetings when it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed. Items which are most likely to be excluded are issues where to disclose information would contravene an individual's privacy or where there are financial interests which may be compromised as a result of disclosure for example discussions surrounding contracts.

The Council will make available copies of the minutes of the meeting and records of decisions taken for six years after a meeting. Minutes of meetings and records of decisions are available for inspection on the Council's website:

<http://moderngov.towerhamlets.gov.uk/ieListMeetings.aspx?Committeeld=392>.

### **Other Delegations of Powers**

The Pensions Committee act as quasi trustees and oversee the management of the Pension Fund. As quasi trustees the Committee has a clear fiduciary duty in the performance of their functions, they have to ensure that the Fund is managed in accordance with the regulations and to do so prudently and impartially and to ensure the best possible outcomes for the Pension Fund, its participating employers, local taxpayers and Scheme members. Whilst trustees can delegate some of their powers, they cannot delegate their responsibilities as trustees. **Appendix B outlines** the areas that the Pensions Committee has currently delegated though these may be added to from time to time.

Under the Council's Constitution delegated powers have been given to the Corporate Director of Resources in relation to all other pension fund matters, in addition to his role as Chief Financial Officer (often called S151 Officer). As Chief Financial Officer he is responsible for the preparation of the Pension Fund Annual Report & Accounts and ensuring the proper financial administration of the Fund. As appropriate the Corporate Director of Resources will delegate aspects of the role to other officers of the Council including the Investment & Treasury Manager and to professional advisors within the scope of the LGPS Regulations.

### **Pension Board**

With effect from 1 April 2015, each Administering Authority is required to establish a local Pension Board to assist them with:

- securing compliance with the LGPS Regulations and any other legislation relating to the governance and administration of the Scheme, and requirements imposed in relation to the LGPS by the Pensions Regulator
- ensuring the effective and efficient governance and administration of the Pension Fund

Such Pension Boards are not local authority committees; as such the Constitution of Tower Hamlets Council does not apply to the Pension Board unless it is expressly referred to in the Board's terms of reference. The Tower Hamlets Pension Board established by Tower Hamlets Council and the full terms of reference of the Board can be found within the Council's Constitution. The key points are summarised below.

### **Role of the Pension Board**

The Council has charged the Pension Board with providing oversight of the matters outlined above. The Pension Board, however, is not a decision making body in relation to the management of the Pension Fund and the Pension Fund's management powers and responsibilities which have been delegated by the Council to the Pensions Committee or otherwise remain solely the powers and responsibilities of them, including but not limited to the setting and delivery of the Fund's strategies, the allocation of the Fund's assets and the appointment of contractors, advisors and fund managers.

### **Membership of the Pension Board**

The Pension Board consists of 7 members as follows:

- Three Employer Representatives
- Three Scheme Member Representatives
- One Independent Member (non-voting) to act as chair of the Pension Board

Pension Board members, (excluding any Independent Member), have individual voting rights but it is expected the Pension Board will as far as possible reach a consensus.

A meeting of the Pension Board is only quorate when two of the six Employer and Scheme Member Representatives are present, and where the Board has an Independent Member they must also be present.

Members of the Pension Board are required to declare any interests that they have in relation to the Pension Fund or items on the agenda at the commencement of the meeting.

### **Meetings**

The Pension Board meets at least twice a year in the ordinary course of business and additional meetings may be arranged as required to facilitate its work. The Pension Board will be treated in the same way as a Committee of Tower Hamlets Council and, as such, members of the public may attend and papers will be made public in the same way as described above for the Pension Committee.

### **Policy Documents**

In addition to the foregoing, there are a number of other documents which are relevant to the Governance and management of the Pension Fund. Brief details of these are listed below and the full copies of all documents can either be found on the Pension Fund Website <http://moderngov.towerhamlets.gov.uk/ieListMeetings.aspx?Committeeld=392> or by writing to the address given at the end of this document.

### **Funding Strategy Statement**

The Funding Strategy Statement forms part of the framework for the funding and management of the Pension Fund. It sets out how the Fund will approach its liabilities and contains a schedule of the minimum contribution rates that are required of individual employers within the Fund. The Funding Strategy Statement (FSS) is drawn up by the Administering Authority in collaboration with the Fund's actuary and after consultation with the Fund's employers. The FSS forms part of a broader framework which covers the Pension Fund and applies to all employers participating in the Fund. The FSS represents a summary of the Fund's approach to funding the liabilities of the Pension Fund.

### **Statement of Investment Principles**

The Local Government Pension Scheme (Management and Investment of Funds) (Amendment) Regulations 2009 require pension fund administering authorities to prepare,

maintain and publish a statement of the principles governing their decisions on the investment of the pension fund.

The areas covered in the statement of investment principles are as follows:

- Types of investments to be held.
- Balance between different types of investments.
- Risk.
- Expected return on investments.
- Realisation of investments.
- The extent to which social, ethical and environmental considerations are taken into account.
- The extent to which the Council complies with the 6 Myners principles of investment practice (2008).

### **Governance Compliance Statement**

This sets out the Pension Fund's compliance with the Secretary of State's Statutory Guidance on Governance in the LGPS. This is attached as Appendix A and shows where the Fund is compliant or not compliant with best practice and the reasons why it may not be compliant.

### **Training Policy**

Tower Hamlets Council has a Training Policy which has been put in place to assist the Fund in achieving its governance objectives and all Pensions Committee members, Pension Board members and senior officers are expected to continually demonstrate their own personal commitment to training and to ensuring that the governance objectives are met.

To assist in achieving these objectives, the London Borough of Tower Hamlets Pension Fund aims to comply with:

- the CIPFA Knowledge and Skills Frameworks and
- the knowledge and skills elements of the Public Service Pensions Act 2013 and
- the Pensions Regulator's (TPR) Code of Practice for Public Service Schemes.

As well as any other LGPS specific guidance relating to the knowledge and skills of Pensions Committee members, Pension Board members or pension fund officers which may be issued from time to time.

Members of the Pensions Committee, Pension Board and officers involved in the management of the Fund will receive training to ensure that they meet the aims of the Training Policy with training schedules drawn up and reviewed on at least on annual basis.

### **Annual Report and Accounts**

As part of the financial standing orders it is the duty of the Chief Financial Officer to ensure that record keeping and accounts are maintained by the Pension Fund. The Pension Fund accounts are produced in accordance with the accounting recommendations of the Financial Reports of Pension Schemes - Statement of Recommended Practice. The financial statements summarise the transactions of the Scheme and deal with the net assets of the Scheme. The statement of accounts is reviewed by both the Pensions Committee and the Audit Committee and incorporated in the Statement of Accounts for the Council. Full copies of the Report and Accounts are distributed to employers in the Fund and other interested parties and a copy placed on the website

<http://moderngov.towerhamlets.gov.uk/ieListMeetings.aspx?Committeed=392>

### **Communication Policy**

This document sets out the communications policy of the administering authority and sets out the strategy for ensuring that all interested parties are kept informed of developments in the Pension Fund. This helps to ensure transparency and an effective communication process for all interested parties. A copy of the policy can be found on the Pensions website <http://moderngov.towerhamlets.gov.uk/ieListMeetings.aspx?Committeeld=392>

### **Discretions Policies**

Under the Local Government Pension Scheme regulations, the Administering Authority has a level of discretion in relation to a number of areas. The Administering Authority reviews these policies as appropriate and will notify interested parties of any significant changes. Employing Authorities are also required to set out their discretions policies in respect of areas under the Regulations where they have a discretionary power. Copies of both the Administering Authority and the London Borough of Tower Hamlets' Employing Authority Discretions can be found on the website: <http://moderngov.towerhamlets.gov.uk/ieListMeetings.aspx?Committeeld=392>

### **Pension Administration Strategy and Employer Guide**

In order to assist with the management and efficient running of the Pension Fund, the Pension Administration Strategy and Employer Guide encompassing administrative procedures and responsibilities for the Pension Fund for both the Administering Authority and Employing Authorities has been distributed to employers within the Fund following consultation and can be found on the website

<http://moderngov.towerhamlets.gov.uk/ieListMeetings.aspx?Committeeld=392>.

This represents part of the process for ensuring the ongoing efficient management of the Fund and maintenance of accurate data and forms part of the overall governance procedures for the Fund.

### **Approval, Review and Consultation**

This Governance Policy and Statement was approved at the London Borough of Tower Hamlets Pensions Committee meeting on 23 July 2015 following consultation with all the participating employers in the Fund and other interested parties. It will be formally reviewed and updated at least every year or sooner if the governance arrangements or other matters included within it merit reconsideration.
